HUMAN SERVICES®
75 years of *Making hope happen.*

Why I Give

I believe that one of the most effective and lasting ways to help people with challenges is to provide them with the means to help themselves. The many wonderful, diverse and effective programs undertaken by JEVS Human Services do exactly that...I can see that my contributions of time and resources are enabling many people to change their lives for the better.

– William P. Becker, JEVS Board of Directors

Highlights of Your Impact

550

**JEWISH
INDIVIDUALS**

with barriers to employment received comprehensive career services through your support of JEVS.

"By the time I started looking for a job, I didn't have too much confidence in myself. I leave [Career Strategies] feeling so supported and way more confident."

– Laura, Career Strategies job seeker

"I had to do this for my kids. I couldn't keep going in the same circle I was going in. I don't want them to be like me. I want them to be better than me, to get a good education, stay on track and stay on focus. I want them to get further than me."

**– Nicole, E3 Power
Center City graduate**

5,000
YOUTH

throughout our region were served this year through the programs at JEVS, including out-of-school youth, high school students at-risk for dropping out, youth with disabilities, youth transitioning out of foster care, and youth in the juvenile justice system.

128

BEDS FOR KIDS

were distributed to 49 families to ensure that children could have the security of having their very own place to sleep each night.

"This is what hope looks like – knowing that I have someone like you, like JEVS, in my corner. I have no words to express my joy. All because of JEVS, we have what we needed. Having beds for my kids turned my house into a home."

– Tara, Work Ready participant

"The best gift you ever gave me was PIN."

– Jackie, Philadelphia Independence Network member

65%

OF YOUNG ADULTS

enrolled in the JEVS' Philadelphia Independence Network (PIN) have found meaningful employment and are thriving in an independent co-ed community of young adults with disabilities.

\$300,000

IN SCHOLARSHIP FUNDS

were awarded to help provide individuals with a path toward employment and self-sufficiency.

"I went from no graduations to two graduations. You changed my life. Project WOW is like the Fourth of July. It sparked up things in me. Now, I want this... I want that... I want to show everybody that I did it and it can be done."

– Anthony, Project WOW and Orleans Technical College graduate
